STARK COUNTY
LAW LIBRARY

Legally *speaking*

Westlaw Now Available at Stark County District Public Libraries

WestlawNext Ohio Resources are now available at the Stark County District Library in Canton and at all nine branches, including Jackson, Perry, North, Lake, and East Canton, in partnership with the law library.

Many of the branches are open 9 am–8 pm Monday-Thursday and until 6 pm on Fridays and 5 pm on Saturdays. The main library, Jackson, Perry, and Plain are open 1-5 pm on Sundays from September-May. To see a map of branches go to: <http://www.starklibrary.org/locations> and click on a location to see the hours.

WestlawNext is available through the public library's wireless network, so you can take your own device to do research and download documents directly to a laptop or tablet.

The service is also available on all library computers, where you can email and download documents.

If you use WestlawNext at the public library and find items of interest outside of their plan, note the citations. The law library's plan is much broader, and the staff can probably provide the documents, if you contact us.

Westlaw Training with 1 Free CLE Credit

WestlawNext Training will be **Tuesday, March 25th** with introductory sessions at 9:30 am and 1:30 pm and an intermediate session at 11 am. Space in each session is limited. Email inform@starklawlibrary.org or call 330-451-7380 to register.
